## Flag Donated to Library

That new flag flying over the Crescent Hill Library was donated by the Frankfort Avenue Business Association, with special support from Arch L. Heady & Son at 2428 Frankfort Avenue. The business association, led by Russ Maple, has supported the campaign to save the library, recognizing that it is a vital part of the Frankfort Avenue corridor.

## Shortcut to Summer Fun

Interested in a way to spend less time on the lawn, while improving its condition and helping the environment? If so, the City of Louisville wants you to try grasscycling. Here's all you do:

- ✓ Set your mower blade to 2 inches and mow when grass is 3-4 inches tall
- ✓ Fertilize less
- ✓ Mow only when grass is dry and don't bag or rake clippings
- ✓ Keep your mower blade sharp
- ✓ Mow with exhaust shoot to the inside of the row

The grass clippings (which do not cause thatch problems) act as a natural fertilizer for your lawn. There are no clippings to bag or rake, or to take up precious landfill space. You have more time to enjoy summer living in Crescent Hill. Everybody wins!

For more information on grasscycling or any other aspect of Mayor Jerry Abramson's environmental campaign — LOUISVILLE'S WATCHING ITS WASTE — call CityCall at 625-3333.

## Control Your Dogs

As Crescent Hill residents take to the streets this spring, one of the things they should not have to put up with is loose dogs...or their after effects. Pursuant to Chapter 90.20 of the Louisville Code of Ordinances, "It shall be unlawful for any owner or person in charge of a dog to permit such dog to be on the streets of the city unless on a leash or otherwise under the absolute control of the owner or his agent."

While at first it seems natural to let a dog run wild, we must also consider the negative side to this. Not everyone likes dogs and many people are afraid of dogs, especially if they are running loose. Loose dogs can also be a problem for the visually impaired people who live in our neighborhood.

If there is a persistent problem with a loose dog in your area, see if you can talk to the owner. Sometimes the owner doesn't realize his or her dog is a problem. If that doesn't work you may call Animal Control at 363-6609 to work with you to solve this problem.

If you are a pet owner, please be mindful of the City's "Pooper Scooper Ordinance". As you take your dog for a walk on a leash to enjoy the beautiful Spring weather, don't forget to take a suitable device for the collection and proper sanitary disposal of animal feces.
